Hello all,

Just a reminder that our next faculty meeting is coming up next week on Wednesday, February 22 at 3:30pm in Toy Lounge. We'll have some coffee and refreshments available starting at 3:15. Our agenda includes:

- Brief discussion about holding "Open Doors" again this semester
- Very brief discussion of Communication Beyond Carolina courses (to be continued in March?)
- Personnel votes on teaching-track reappointment cases

Personnel materials are currently available to voting faculty via Sakai. Please remember to bring a laptop or smart phone to the meeting since balloting will be by Qualtrics.

Thanks and best wishes,  
Ellen

**Subject:** Welcome back! And some dates to mark in your calendar

Dear colleagues,

I hope that each of you has had a wonderful summer! I look forward to seeing you around campus in the coming weeks. In the meantime, let me share a few notes as we get ready for the new academic year.

First, some dates to mark in your calendar:

- We'll have our welcome back reception on Friday, September 16 at 5-7pm in the Graham Memorial lounge. Please save the date!
- Faculty meetings are scheduled for these Wednesdays, 3:30-4:30. Our first two meetings will be in-person only in Toy Lounge. Some of our meetings this year will likely be on Zoom, as appropriate for the purpose of the meetings.
  - September 14
  - October 26 (with a visit from the new dean of the College, Jim White)
  - November 16
  - February 22
  - March 22
  - April 19
- An Open House for potential prospective graduate students is scheduled for Monday, October 3-Tuesday, October 4. More details about this soon.

Next, if you haven't already, please make sure to read the message from Dean White (sent 8/9) about community standards for the upcoming year. Essentially, we are operating under the same guidelines as in the Spring, with masks recommended but not required. We have some cleaning supplies and surgical masks available in the department for those who need them. Please feel free to get in touch with any questions.

Finally, departmental [administrative assignments](#) for the year are posted on the Intranet (with just a couple of updates still to come). Please let me know if you notice any errors or oversights. I'll be contacting committee chairs over the next few weeks to get organized for the year.

Thanks for your attention! Wishing you all a successful first week of classes,  
Ellen
